

F0191 EDIBLE OIL WASTE

This heavy-duty hose is specifically designed for the transfer of edible oil waste disposal. The CPE construction resists the high heat extending the service life. Refer to manufacturer for proper care and maintenance.

TUBE:	Black CPE
REINFORCEMENT:	Wire Braid
COVER:	Black CPE
TEMPERATURE:	-40°F to 350°F

PART #	ID (IN)	OD (IN)	WP (PSI)	BEND RADIUS (IN)	WEIGHT	PACKAGING
